

**Shoreway Environmental Center  
Shoreway Facility Operations Monthly Reporting  
May 2024**

Dear Joe:

SBI is continuously enhancing the infrastructure, equipment, and grounds of our facility, fostering a safe and productive work environment for our staff while delivering top-tier service to our customers. We regularly review and refine our Standard Operating Procedures (SOPs) to streamline processes and improve workflow. These improvements enable us to handle larger volumes of materials while upholding stringent safety and environmental standards.

Safety and compliance are our top priorities. We are committed to investing in our people by offering training programs that equip our staff to perform their tasks safely and efficiently. During the LEA's monthly inspection at the end of May, we received a favorable report.

**Commodity Values & Material Movement**

In May, the value of cardboard rose by 4.9% compared to April, and the value of mixed paper increased by 15.1%. Since our startup, commodity brokers have consistently provided exceptional transportation of baled commodities, ensuring our bale storage area remains well-managed.
