

**Shoreway Environmental Center
Shoreway Facility Operations Monthly Reporting
December 2018**

Dear Joe:

Cardboard (OCC) pricing dropped \$7.00 per ton and Sorted Mixed Paper (SMP) dropped \$5.00 per ton from prior month. Taiwan has stopped accepting Mixed Paper and Vietnam is in the process of doing the same. This change in the market could make moving Mixed Paper even more challenging than we have experienced since China banned Mixed Paper earlier this year. SBR continues to work with SBWMA staff and the MRF equipment manufacturer (Bulk Handling Systems) to develop strategies that increase recovery of higher value fiber, and improves material value of residential paper.

China's ban on post-consumer mixed plastics has essentially rendered this market obsolete. As a result, Buyers are no longer providing pricing for these materials, and at the SBWMAs request, these materials are being disposed of. Markets for #1PET and #2 HDPE continue to be stable.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Dwight E Herring
