

**Shoreway Environmental Center**

**Shoreway  
Facility  
Operations  
Monthly  
Reporting  
March-17**

Dear Joe:

Non-fiber scrap values were \$185 per ton, a 3% reduction from prior month. This is primarily due to the new enforcement efforts by the Chinese government to reduce the amount of contaminated recyclables entering the country. Fiber scrap values were \$165 per ton, up 7% from prior month .

The fiber market has been strong, however, we expect a correction in the fiber market, resulting in a 50% reduction in pricing. The SBWMA Clean Wood Recovery Pilot program continues, and we will continue to monitor the recovery efforts and make adjustments as necessary to reduce the amount of clean wood delivered to Zanker Road in San Jose, CA.

If you have any questions, please do not hesitate to contact me.

Sincerely,

*Dwight E Herring*

Dwight E Herring  
General Manager

GENERAL FACILITY REPORTING  
March-17**

	<b>Permits, Regulatory &amp; Environmental Compliance</b>	<b>Staffing &amp; Labor</b>	<b>Facility Operations</b>	<b>MRF Recovery Effectiveness</b>	<b>Materials Marketing &amp; Off Site Disposal &amp; Processing</b>	<b>Franchise, Public &amp; Third Party Tonnage</b>
<b>Accidents &amp; Incidents</b> No Accidents or Incidents to report.	1/26/2017-LEA inspected Facility. No NOV's or AOCs were reported.	On January 16, Ralph Campa resigned from his position as Transfer Station Supervisor. SBR has engaged with a recruiting firm to begin a search for his replacement.	SBR enrolled in the California Carpet Recovery Program. SBR Sorters recover carpet from various waste streams, which is loaded into a trailer for further processing. SBR started a clean wood pilot program, where Sorters manually and mechanically remove clean wood from various waste streams, which are loaded and transported for further processing at a Bio Fuel processor in Livermore, CA.	The recovery rate in January was 93%	SBR resumed MRF processing operations on 1/4/2017. Non-fiber scrap values were \$196.13 per ton. Average fiber scrap values were \$136.10 per ton. The current fiber market is strong and forecasted to be as strong or better in February. SBR is now recovering carpet from various waste streams for further off-site processing. SBR is recovering clean wood from the C&D stream for processing at a Bio Fuel Site in Livermore, CA.	On December 7, 2016, Recology South Bay Group notified SBR of its intent to terminate its Agreement to deliver commingled recyclables to the Shoreway MRF effective January 1, 2017. SBR had been unable to process third-party recyclables since shutdown of the MRF following the fire. Recology, made this decision in the best interest of the third-party jurisdiction it serves, their rate payers and Employee Owners.
JAN						
No Accidents or Incidents to report	2/16/2017-LEA inspected Facility. No NOV's or AOCs were reported.	Nothing to Report	Clean Wood Recovery Pilot Program continues.	The recovery rate in January was 11.29%, this is due to the excessive moisture content in the MRF residue.	Non-fiber scrap values were \$191.75 per ton. Average fiber scrap values were \$152.98 per ton. The fiber market has been strong, however, we expect to see the market begin to soften in the coming months. SBR is now recovering carpet from various waste streams for further off-site processing. SBR is recovering clean wood from the C&D stream for processing at a Bio Fuel Site in Livermore, CA.	SBR began receiving a limited amount of third-party commingled recyclables in February (about 7 tons per day).
FEB						
No Accidents or Incidents to report	3/16/2017-LEA inspected Facility. No NOV's or AOCs were reported.	SBR presented an Offer of Employment to a candidate for the position of Equipment Maintenance Supervisor. He is scheduled to start April 17, 2017, pending the results of a background and pre-employment physical and drug screen.	Clean Wood Recovery Pilot Program continues.	The recovery rate in January was 11.3%, this is due to the excessive moisture content in the MRF residue.	Non-fiber scrap values were \$185 per ton. Average fiber scrap values were \$165 per ton. The fiber market has been strong, however, fiber pricing is expected to drop by 50% in April. SBR continues to recover carpet from various waste streams for further off-site processing, as well as recovering clean wood from the C&D stream and diverting this material from Zanker Road to Bio Fuels in Livermore, CA.	SBR continues to receive a limited amount of third-party commingled recyclables in March (about 11 tons per day).
